

Daniel Ash

PROFESSIONAL SUMMARY

A skilled 3D Modeller specialising in the environment and prop design, currently studying at the University of Derby. Proficient in various 3D modelling software, with a passion to bring creative concepts to life through careful design and attention to detail

WORK EXPERIENCE

CurveDigital | 3D Environment Modeller | 22/02/2024 - 31/05/2024

- Collaborated with CurveDigital as a client to develop a high-quality cinematic project for a new all-wheel-drive hybrid car reveal.
- Designed realistic 3D environments, focusing on Mexican architecture style and environmental elements in order to enhance the cinematic project.
- Created cinematic camera shots to render a cinematic render for a 40 seconds cinematic of a new all-wheel-drive hybrid car reveal.

Make Your Escape | 3D Modeller and 2D Artist | 22/03/2020 - 20/05/2020

- Designed and developed a 3D escape-room game in collaboration with my client, Make Your Escape, a local escape-room company.
- Created immersive environment and fully functional puzzle elements that designed for a single-player experience.
- Successfully delivered a demo following a real-world escape-room conventions with 5 minute gameplay.
